

SECOND ANNUAL TARS PICNIC

For the second consecutive year the TARS owe the Boy Scout Organization a vote of appreciation for the use of Camp Pohoka without any charge. The least we can do is abide by the regulations set forth by the Boy Scout Council.

1. Please do not drive your car beyond the wooden barricade.
2. Please do not bring alcoholic drinks on the premises.
3. Please do not litter up the grounds with food or rubbish. Throw all rubbish in the trash can.

Soft drinks have been provided for your convenience. Deposit your nickel in the box and take your drink. PLEASE RETURN ALL SOFT DRINK BOTTLES TO THE SOFT DRINK STAND.

The picnic committee has found it necessary to assess each person over 12 years of age a minimum of 10 cents to help defray the expense of the picnic. A box will be provided for your money.

Take one of the cards off the table and print your name or call letters or both on the card. Hang this card on your person in a conspicuous place for identification purposes.

Your cooperation and participation in the events to follow will assure a good time for all.

EVENTS OF THE DAY

There is a Mystery Man or Woman on the grounds again this year. Some time during the day you should walk up to every person at the picnic and state in these words:

"GOOD DAY, MY NAME IS _____. YOUR NAME IS _____. I THINK
YOU ARE THE MYSTERY PERSON."

You can obtain the other person's name from his card. The first person to say the above phrase to the mystery person will win an electric clock. Only one man on the picnic committee knows who the mystery person is. The winner will be announced after dinner.

1. Each man should pick a partner for the horseshoe tournament which will start at 10:30. Meet at the Shelter House for the drawings at 10:15. A swell piece of radio gear will be given to both finalists.
2. Women should pick partners at the same time and appear at the same place for a tournament of washer pitchers. Prizes will be given to the winners.
3. At 11:00 there will be a Ball-in-Keg contest for men, women, and children. Each person will be given two tries to throw a baseball in a keg set at a specified distance. Those who succeed will try against each other with the keg at a greater distance. The winners in each group will receive a prize.
4. Immediately after the ball-in-keg contest there will be a candle race for women. The women will carry a lighted candle in a 25 yard race. The one who crosses the finish line with the candle still lighted wins. Prize.
5. Rolling Pin Throw. For Women. The woman scoring the most direct hit with a rolling pin on a dummy wins a nice prize.
6. Needle Threading Contest. The men will pick lady partners. The women will hold the needle and the man will thread the needle. Prizes.
7. For Hams. Hams will be asked to participate in groups of two. Eat three crackers and whistle "CQ". Prize.
8. For Hams. Operate a key with your left foot and see who can send the most of a given text in one minute with the least mistakes. Prize.
9. Tug of War. Even number of CW men and phone men on each side. The team that pulls the other side's white flag over the center two out of three times wins.
10. Baseball game CW vs. PHONE.
